## **Cattle Section Dannevirke A&P Show 2026**

Welcome all to this year's Dannevirke A&P Cattle Section. It has been another disrupted year for all of us, however we are pleased to offer a Schedule for the Cattle section in 2026.

Prize money will be paid out online through the Dannevirke A&P. When completing your entry form, please include your banking details for payment. No details means no prize!

Dannevirke A&P Show could in fact be the first A&P Show in the country to offer a Schedule, and look to run a traditional Cattle Section.

A light lunch is available through the Dannevirke A&P Members Tent for Judges, Stewards and paid members of the Dannevirke A&P.

Contact the Dannevirke A&P at [dannevirkeap@gmail.com](mailto:dannevirkeap@gmail.com)

## **RULES AND REGULATIONS**

- The Rules and Regulations as issued by the Royal Agricultural Society of New Zealand (Inc) for the governance and conduct of A&P Shows have been adopted by the Dannevirke & Districts A&P Association. It is the responsibility of exhibitors to be conversant with these rules.
- All cattle must be entered in the name of the bona-fide owner. The owner of the cattle must be a member of their respective breed society.
- The date of birth of all breeding cattle must be stated at time of entry. All beef cows three years and over must be shown with their own calf at foot, born on or after 1<sup>st</sup> June in the current Show Season. All purebred cattle shall be led into the Show Ring when required by stewards or judges.
- The age of cattle shall be computed as at 1<sup>st</sup> June.
- NB: As the age of all cattle is determined from the 1<sup>st</sup> June in each year, all animals shall be deemed to be one year older on this date.
- All bulls twelve months old and over, must be rung and be led by the ring and be under adequate supervision when being shown. All bulls two years and over must have two leaders. Bulls stalled in the Pavilion must be securely tied in the stalls with a good strong halter and rope as well as a strong neck chain.
- In the case of all beef females, yearlings and over, must be led with a nose clip (not ring) at all times during the Show
- Dannevirke & Districts A&P Association reserves the right to amalgamate classes where there are insufficient entries.

## **GENERAL**

- All Exhibits must be shown up to their respective ages and no two year old may be shown as a three year old and no yearling may be shown in a two or three year old class.
- Exhibitors are requested not to tether stock in Judging Rings.
- All cattle entered in the purebred classes must be entered, if one year old or over, in a Herd Book of the breed. If under one year of age, they must be eligible for entry. The names and pedigree of all such cattle must be stated on the Entry Form and if the exhibitor is not the breeder, the breeders name must also be stated.
- No stock shall be brought to the Showgrounds earlier than 1 day prior to the Show unless permission has been given from the Chief Steward.

- Cattle "Showing Rings" will be located within the Cattle Section
- All entries will be paraded in age and catalogue order.
- Winners of Class 1415 to 1421 are eligible for the Supreme Champion Award. There is only one award and second place getters need not standby.
- Protests have to be lodged with the Chief Steward, 15 minutes after the class has finished. A panel of three will hear the protest, and their decision is final.
- Entries will not be accepted after Wednesday 28<sup>th</sup> January for all cattle classes.

## LIFESTYLE SECTION

- Entries will not be accepted unless they are on the Dannevirke & Districts A&P Association Lifestyle Breed Entry Form.
- Lifestyle classes will be offered in the Schedule. If numbers are not sufficient for each respective class then the Dannevirke & Districts A&P Association Beef Committee reserves the right to amalgamate classes with the mainstream breeds.
- For breeds to qualify for the Lifestyle Section it will be up to the discretion of the Dannevirke & Districts A&P Association Beef Committee.
- Winners of Class 1515 to 1521 are eligible to the Supreme Champion Lifestyle Cattle Award. There is only one award and second place getters need not stand by.
- A Supreme Lifestyle award will be awarded. In the event of not enough entries for a Lifestyle class or section the appointed judge will nominate which animals shall compete in the Supreme Award. One representative of each class will contest the Supreme Award.
- If a breeder enters the Lifestyle section they are not eligible for the mainstream animal award.
- A valid RAS High received without a Passport will not be accepted. Land Passport must accompany all Highland Cattle entries.

## STALLING OF ENTRIES

In the event of catalogued entries not being exhibited at the Show, the Chief Steward shall have the right to re-allocate such stall spaces.

**NOTE: IT IS A REQUIREMENT OF ALL EXHIBITORS TO KEEP THEIR AREA CLEAN AND TIDY  
THROUGHOUT THE DURATION OF THE SHOW.**

Woodchip bedding will be available for all animals. Exhibitors wishing to feed meal or dry stock feed should bring suitable containers with them. This must be removed at the end of the Show and placed in an appropriate bin. All hay/baylage at the end of the Cattle Show is to be placed on the grass in front of their stalls.

Water troughs will not be available at the Show owing to a Bio Security risk.

**Water is available, however exhibitors are asked to provide their own water troughs/buckets.**

## TB TESTING & NAIT

All cattle including yearlings entered for this Show must be from a TB free and accredited Herd within the preceding 12 months. Cattle from a TB and accredited Herd within a declared Movement Control Area must be tested and passed within 60 days of movement.

Checks will be made for TB declaration cards on stock arrival.

All animals must comply with current Animal Health Board and NAIT regulations. NAIT numbers must accompany all cattle entered into the Dannevirke A&P Show

For cattle being moved from 1 July 2012: A NAIT approved RFID tag is mandatory for all movements of cattle, including day old calves. NAIT approved RFID cattle tags are white only. Please do not remove tags if cattle are identified with Animal Health Board or MINDA tags. As of 1 July 2012 a secondary tag is no longer required under the new NAIT scheme. All animals being exhibited at the Show come under the standard identification and SAD regulations. These cattle will require the NAIT approved RFID tag. It is the livestock exhibitor's responsibility to record all animal movements with NAIT 48 hours prior to leaving the farm/property for the Show and then within 48 hours of returning to the farm/property from the Show. All cattle entered in the Lead Cattle section must provide NAIT Numbers.

- Animals are from a clear status herd
- Routine TB testing requirements are complete  
(*To arrange a TB test please contact TB free on 0800 482 4636*)
