Cattle Section Dannevirke A&P Show 2022

Welcome all to this year's Dannevirke A&P Cattle Section. It has been another disrupted year for all of us, however we are pleased to offer a Schedule for the Cattle section in 2022.

As you may be aware that the decision not to run a full Dannevirke A&P Show in 2022, mainly due to COVID 19 complications, has provided a few barriers for the Cattle Committee. We are confident that we can provide a safe environment for everyone involved, and are deciding to watch the cattle judging. Further to this, the Cattle Committee will be asking that everyone competing, judging, or watching the Cattle Section do have a valid COVID 19 Passport.

Sponsorship has been affected, due to COVID 19, and the cancellation of the Show. The committee is still working hard to provide a great experience for everyone, but in some areas the committee has had to make cut backs in order to make the section viable.

Dannevirke A&P Show could in fact be the first A&P Show in the country to offer a Schedule, and look to run a traditional Cattle Section. The Cattle Committee are looking forward to seeing you all again, and please join us for a BBQ lunch during the Show. Any questions please contact me - Simon 0276363243 or Hennie 021 2983959
